Subject: Discontinuation of Sampling Activities

Hello Steve,

U.S. EPA is currently finalizing its comments to the Draft Work Plan submitted for review per the AOC. However, until the letter is finalized and Per our discussion earlier this week, let the email document U.S. EPA's approval to discontinue sampling activities currently being performed under work plans approved during the initial response to the Eisenbarth Well Pad incident. All future sampling will be conducted per the approved Work Plan once it is finalized.

If you have any questions please do not hesitate to call.

Thank you,
